Please Note:

1. All rates excluding pull-offs, green waste, asphalt and clean dirt include the following fees:
   - *California Integrated Solid Waste Management Fee: $1.40 per ton
   - *L. A. County Solid Waste Management Fee: $1.50 per ton
   - *L. A. County Department of Health Services Regulation Service Fee: $0.36 per ton
2. All rates and surcharges include the L.A. County Business License Tax: 10% of gross receipts, excluding state and local fees and taxes.
3. All rates and surcharges (except for Clean Dirt) include the City of Glendale - Scholl Canyon Landfill Assessment: 25% of gross receipts; vehicles owned and operated by the City of Glendale are exempt.
4. Rate effective as noted and subject to change pursuant to SERRF Joint Powers Agreement.
5. Rates effective as noted and subject to change pursuant to CREF Operating Agreement.
6. High Energy Waste consists of dry scrap wood, textile waste, unrecyclable paper and cardboard and additional unrecyclable materials.
7. USDA Regulated Waste is the destruction of regulated foreign waste in accordance with the regulation of the United States Department of Agriculture ("USDA") and the terms of the Facility USDA compliance agreement.
8. In order to be considered recyclable MRP, the individual pieces of plastic must meet the Districts' specifications. As a general guidance, the individual pieces of plastic must be a minimum of 0.5 pounds, must not exceed the maximum capacity of the baler to bale the MRP, must not exceed eight feet in length, 100 pounds in weight or be greater than 0.75 inches thick. The individual pieces of plastic cannot be film plastic or be comprised of PVC. This specification for MRP may be changed from time to time by the Districts' Chief Engineer and General Manager depending upon market conditions.
