RESOLUTIONS AUTHORIZING  
APPLICATION TO LOCAL AGENCY  
FORMATION COMMISSION AND  
APPROVING NEGOTIATED  
EXCHANGE OF PROPERTY  
TAX REVENUES - ADOPT  
Annexation No. 771 consists of 42 proposed single-family homes in the City of La Verne. Each annexation to the District's service area requires adoption of two resolutions by the Board. The first resolution authorizes submittal of the annexation application to Local Agency Formation Commission (LAFCO), approves the California Environmental Quality Act (CEQA) document, and consents to a waiver of the LAFCO protest hearing. The second resolution is a joint resolution with agencies that already provide services to the proposed annexation territory agreeing to the amount of property tax revenue that will be apportioned to the District in accordance with the Revenue and Taxation Code. A data sheet, map, Notice of Finding and the CEQA document were attached to the agenda. A recommendation was made that the Board adopt a resolution for making an application to LAFCO for annexation; review, consider and find adequate the CEQA document; and consent to a waiver of protest proceedings. Furthermore, a recommendation was made that the Board adopt a joint resolution with the County of Los Angeles, City of La Verne, and Three Valleys Municipal Water District approving and accepting the negotiated exchange of property tax revenues resulting from annexation.

Upon motion of Director Badar, duly seconded and unanimously carried, the Board of Directors of County Sanitation District No. 21 of Los Angeles County does hereby approve the Joint Resolution of the Board of Supervisors of the County of Los Angeles, the governing bodies of the City of La Verne, and Three Valleys Municipal Water District, and this Board of Directors, approving and accepting the negotiated exchange of property tax revenues resulting from Annexation No. 771 to the District, a copy of which is on file at the Office of the District

and by reference incorporated herein as though fully set forth; and the Chairperson and Secretary are authorized to execute the Joint Resolution on behalf of the District. Furthermore, the following resolution was adopted:

Actual sewer hook-up will not be allowed until payment of the connection fee and shall be subject to all circumstances then existent including the availability of capacity. Disposal of the treated wastewater will be in accordance with waste discharge permits issued by the appropriate California Regional Water Quality Control Board.

RE: SERVICE CHARGE PROGRAM  
 HOLD PUBLIC HEARING ON  
 SERVICE CHARGE REPORT, AND  
 COLLECTION ON TAX ROLL

The Chief Engineer and General Manager announced that today the Board would hold a public hearing, and the proposed rate increases associated with the service charge, industrial wastewater surcharge, and connection fee rates, and the collection of the service charge on the

property tax roll were presented. Holding a public hearing and then adopting the Service Charge Report is required each year to collect the wastewater service charge on the property tax roll. The current service charge rate per single-family home is \$15.17 per month (\$182 per year). The rate for fiscal year 2023-24, as previously adopted by the Board of Directors, is \$15.42 per month (\$185 per year). A letter discussing this matter, together with the Service Charge Report, the preliminary budget, and a budget explanation and glossary, accompanies the agenda. This item is consistent with the Districts' Guiding Principles of commitment to fiscal responsibility and prudent financial stewardship; and to plan for both short-term and long-term needs to minimize the need for significant rate increases.

In accordance with Section 5473 of the Health and Safety Code of the State of California, the *County Sanitation District No. 21 Service Charge Report for Fiscal Year 2023-24*, was filed on March 22, 2023, and publication of two newspaper notices for today's public hearing were published in the *Inland Valley Daily Bulletin*, a daily newspaper. The Service Charge Report addresses the continued collection of the service charge for the District on the tax roll. These charges are needed to supplement the District's existing revenue sources for the forthcoming fiscal year, as discussed in the letter to the Boards, dated February 3, 2023.

The Chairperson opened a public hearing on the Service Charge Report for County Sanitation District No. 21 of Los Angeles County. In response to the Chairperson's question, the Secretary reported that the District has received no correspondence or telephone calls on the Service Charge Report.

There being no further comments, the Chairperson closed the public hearing.

RE: SERVICE CHARGE PROGRAM  
 ADOPT SERVICE CHARGE REPORT

Following the public hearing, upon motion of Director Badar, duly seconded and unanimously carried, the Board of Directors of County Sanitation District No. 21

of Los Angeles County approved and adopted the *County Sanitation District No. 21 Service Charge Report for Fiscal Year 2023-24*, which was filed with the Clerk of the Board on March 22, 2023.

Upon motion of Director Reece, duly seconded and unanimously carried, the meeting was adjourned.
