

## SECOND AMENDMENT AND EXTENSION TO HOUSEHOLD HAZARDOUS WASTE/ELECTRONIC WASTE COLLECTION AGREEMENT

This Second Amendment and Extension to the Household Hazardous Waste/Electronic Waste Collection Agreement (“**Second Amendment and Extension**”) is between County Sanitation District No. 2 of Los Angeles County (“**District**”), DIR registration number 100010096, a county sanitation district organized and existing pursuant to California Health & Safety Code §4700 et seq. and Clean Harbors Environmental Services, Inc., a Massachusetts corporation, (“**Contractor**”), DIR registration number 1000013713. The District and the Contractor are each a “**Party**” and collectively are the “**Parties**”.

The District and the County of Los Angeles (“**County**”) entered into an agreement for District to conduct household hazardous waste and consumer electronic waste (“**HHEW**”) collection activities on dates and locations to be agreed upon throughout Los Angeles County in furtherance of the objectives of Division 30 of the California Public Resources Code. The District, the County, the City of Long Beach and EDCO Transport Services, LLC, a California limited liability company (“**EDCO**”) entered into an agreement to establish a center for the collection of HHEW.

On January 21, 2021, the Parties entered into a Household Hazardous Waste/ Electronic Waste Collection Agreement (the “**Agreement**”) for operation of a permanent Household Hazardous/Electronic Waste Collection Facility in the City of Signal Hill (“**Collection Center**”) (“**Project**”). On April 26, 2023, the Agreement was amended (the “**First Amendment**”) to incorporate prevailing wage requirements. The Collection Center is situated within EDCO's Recycling & Transfer facility located at 2755 California Avenue in the City of Signal Hill. The DIR Project Number is 453465.

The Agreement provides for payment to the Contractor for Fixed Costs and Unit Costs to operate the Collection Center. Fixed Costs include set-up costs, labor costs, and special pickups; and Unit Costs include all labeling, transportation, and disposal costs for various HHEW waste streams. These are discussed in Attachment 4 (Unit Costs) and Attachment 5 (Fixed Costs) to Exhibit B (the Proposal) of the Agreement. Attachment 5 (Fixed Costs) was replaced with Schedule 1 of the First Amendment. New Unit Costs addressing the CPI adjustment to reflect the previous three-year cumulative twelve-month increase have been agreed upon and will now be used by the Parties in this Agreement.

The original duration of the Agreement is three years. The Agreement allows the Parties to renew the Agreement for an additional three years by written agreement of the Parties. The Parties now intend to extend the term of the Agreement by an additional period set forth in Section 3 below.

All terms, conditions, and requirements of the Agreement remain unchanged unless explicitly identified here. The Agreement will be amended as follows:

1. Unless otherwise provided in this Amendment, the capitalized terms used in this Second Amendment have the same meaning assigned to them in the Agreement and First Amendment.
2. This Second Amendment and Extension is effective January 17, 2024 (“**Second Amendment and Extension Effective Date**”).

3. **Extension.** The duration of the Agreement is extended three years with an expiration date of December 31, 2026.
4. Attachment 4 to Exhibit B of the Agreement and Schedule 1 of the First Amendment are hereby replaced in their entirety with the new Schedule 1 of this Second Amendment and Extension.

The Parties are signing this Second Amendment as of the Second Amendment Effective Date.

## SCHEDULE 1

Attachment 5 Fixed Costs

### Clean Harbors Environmental Services, Inc.

#### Schedule 1 - Fixed Cost with California Prevailing Wages

Based upon operation on the 2nd & 4th Saturday of each month from 9am to 2pm

BASELINE SIZE OF COLLECTION EVENT	SET-UP COSTS	LABOR			LABOR COSTS \$ <sup>1</sup>	TOTAL COSTS	LOADS Exceeding Baseline Setup (Additional Load Charge) \$
		# OF HOTZONE WORKERS	MIN # OF WORKERS	MAX # OF WORKERS			
(# loads/cars)	PER EVENT					<b>COST PER LOAD</b>	
100	\$ 767	14	14	14	\$ 24,192	\$ 22.12	Please note the number of proposed workers is based on our historical operation of the site. With the small footprint of the site along with the traffic ingress/egress these levels of staff are required to operate a safe and efficient event with high customer satisfaction.
250	\$ 1,167	19 - 20	19	20	\$ 34,560	\$ 19.98	
500	\$ 1,945	26 - 28	26	28	\$ 48,384	\$ 16.59	
750	\$ 2,652	32 - 34	32	34	\$ 58,752	\$ 11.70	
1,000	\$ 3,265	43 - 45	43	45	\$ 77,760	\$ 11.70	
1,250	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	
1,500	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	
1,750	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	
2,000	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	
2,500	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	
3,000	\$ 3,500	52 - 54	52	54	\$ 93,312	\$ 11.70	

<sup>1</sup> These labor rates include California Prevailing Wages

#### LOADS OVER BASELINE SET-UP (Additional Load Charge) Explanation

If the actual number of loads determined for a Collection Event is equal to or less than the Baseline Setup Number of Loads for that event, then the District shall pay the Contractor the Setup Total Cost that corresponds to the Baseline Setup Number of Loads shown on the table above. If the actual number of loads exceeds the Baseline Setup Number of Loads, then the District shall pay the Contractor the Setup Total Cost for the Baseline Setup Number of Loads plus an Additional Cost per Load for each load above the baseline within each successive baseline load category as shown in the table.

For example, for a 500 Baseline Setup, the Contractor will be paid **\$50,329 plus \$16.59** for all loads between 501 and 749.

#### Door to Door Pickups

FlatRate per pickup for Special Pickups(Door to Door) Independent of Event \$500 per pickup\*

\*Note: these Special Pickups independent of any HHW event must be scheduled

with at least 72 hours advanced notice and Clean Harbors must be allowed to bring collected waste to the Districts permanent HHW facility in Signal Hill, CA for disposal so it can be comingled other HHW waste at the facility. Includes vehicle & technician cost to pickup waste from residence.

## **SCHEDULE 1**

### Attachment 5 Fixed Costs

Rates for Special Pickups(Door to Door) associated with events (typically Friday before event or Sat of event) are to be negotiated during contract period per RFP.  
Notes:

Please note the number of proposed workers is based on our historical operation of the site. With the small footprint of the site along with the traffic ingress/egress these levels of staff are required to operate a safe and efficient event with high customer satisfaction.

Based on the current site footprint we do not think it is feasible to accommodate more than 1300 loads per day at the site; nor can the site accommodate more than 54 workers due to the small footprint. If the County anticipates single day participation rates above 1300 loads, we will work with the County and Edco to develop a workplan.
