- Open Floor: Industry, Association, and Public Agency Updates or New Business

9:45 a.m. Walk to Pure Water Southern California Innovation Center

10:00 a.m. Tour: Grace F. Napolitano Pure Water Southern California Innovation Center

Think of it as a living laboratory. The Grace F. Napolitano Pure Water Southern California Innovation Center features a state-of-the-art demonstration plant, which began operation in October 2019. One of the main purposes of the demonstration plant, which produces 500,000 gallons of purified water per day, is to facilitate regulatory approval of the innovative purification technology being proposed for the full-scale program. The demonstration plant also is generating information that will enable optimal design of the program's advanced water purification facility.

12:00 p.m. Adjournment to Next Council Meeting

Subject: End-of-Year Legislative Updates
Date: November 12th, 2024
Time: 11:00 a.m.
Location: Sanitation Districts' Joint Administration Office - Conference Room E/F
 1955 Workman Mill Road, Whittier, CA 90670
