

Sagar Raksit                      Supervising Engineer  
Contribution:                    Assistant Program Manager  
Education:                        Ph.D., Environmental Engineering, Jadavpur University, Calcutta, India,  
1969.  
M.S., Environmental Engineering, Jadavpur University, Calcutta, India, 1966.  
B.S., Civil Engineering, Jadavpur University, Calcutta, India, 1962.

Andy Christensen                Project Engineer  
Contribution:                    Project Coordinator  
Education:                        M.S., Environmental Engineering, Stanford University, Stanford, California,  
1993.  
B.S., Civil Engineering, Stanford University, Stanford, California, 1993.  
B.S., Biology, Stanford University, Stanford, California, 1993.

### Technical Contributors

Greg Adams                        Assistant Department Head, Office Engineering Department  
Contribution:                    Air Quality  
Education:                        M.S., Environmental Engineering, Manhattan College, New York, New York,  
1973.  
B.S., Electrical Engineering, Columbia University, New York, New York,  
1971.

Basil Hewitt                       Project Engineer  
Contribution:                    Community Enhancement Plan  
Education:                        M.S., Environmental Engineering, Loyola University, Los Angeles,  
California, 1990.  
B.S., Civil Engineering, Rutgers University, Piscataway, New Jersey, 1987.

Robert Horvath                   Assistant Department Head, Technical Services Department  
Contribution:                    Marine Environment, Effluent and Biosolids Management  
Education:                        M.S., Environmental Engineering, University of Illinois at Urbana-  
Champaign, Urbana, Illinois, 1971.  
B.S., Civil Engineering, Rutgers University, Piscataway, New Jersey, 1970.

Habib Kharrat                    Project Engineer  
Contribution:                    Population/Air Quality Conformity  
Education:                        M.S., Community and Regional Planning, University of Texas at Austin,  
Austin, Texas, 1991.  
B.S., Civil Engineering, University of Texas at Austin, Austin, Texas, 1988.

Dainis Kleinbergs      Project Engineer  
 Contribution:      Land Use and Hazardous Materials Information Coordination  
 Education:      M.S. Candidate, Environmental Engineering, California State University,  
                          Long Beach, California, 1995.  
                          B.S., Civil Engineering, University of Washington, Seattle, Washington,  
                          1987.

David Lambert      Project Engineer  
 Contribution:      Water Resources  
 Education:      M.S., Civil Engineering, Clemson University, Clemson, South Carolina, 1991.  
                          B.S., Civil Engineering, Clemson University, Clemson, South Carolina, 1989.  
                          M.A. Candidate, Economics, California State University, Long Beach,  
                          California, 1995.

Jan Stull      Senior Environmental Scientist  
 Contribution:      Marine Environment  
 Education:      M.S., Zoology, University of Michigan, Ann Arbor, Michigan, 1965.  
                          B.Sc. Biology, University of Toronto, Toronto, Ontario, Canada, 1964.

## JONES & STOKES ASSOCIATES

### Management

Albert Herson:      Principal Planner  
 Contribution:      Principal-in-Charge and Project Manager  
 Education:      J.D., McGeorge School of Law, Sacramento, California, 1984.  
                          M.A., Urban Planning, University of California, Los Angeles, California,  
                          1976.  
                          B.A., Psychology, University of Illinois, Urbana, Illinois, 1972.

Maggie Townsley      Environmental Planner  
 Contribution:      Assistant Project Manager  
 Education:      M.S., Community and Regional Planning, University of Texas at Austin,  
                          Austin, Texas, 1990.  
                          B.S., Geological Sciences, University of Texas at Austin, Austin, Texas,  
                          1988.  
                          B.A., French, University of Texas at Austin, Austin, Texas, 1988.

Christine Engel            Environmental Planner  
Contribution:            Project Coordinator  
Education:                B.A., Environmental Studies, California State University, Sacramento,  
California, 1993.

### Technical Contributors

Mike Zanoli                Water Quality Specialist  
Contribution:            Hydrology and Water Quality  
Education:                M.S., Environmental Management, University of San Francisco,  
San Francisco, California, 1986.  
B.S., Biological Sciences, California State Polytechnic University, San Luis  
Obispo, California, 1976.

Brad Norton                Environmental Planner  
Contribution:            Geologic Hazards and Soils, Public Health  
Education:                B.S., Environmental Policy Analysis and Planning, University of California,  
Davis, California, 1991.

Grant Bailey               Aquatic Biologist  
Contribution:            Marine Environment  
Education:                B.S., Biology, California State University, Humbolt, Arcata, California, 1970.

Rick Oestman              Aquatic Biologist  
Contribution:            Marine Environment  
Education:                M.S., Fisheries, University of Washington, Seattle, Washington, 1991.  
B.S., Fisheries, California State University, Humbolt, California, 1983.

Kimberly Pell              Energy Analyst  
Contribution:            Energy and Chemicals, Noise  
Education:                B.S., Mechanical Engineering, University of California, Davis, California,  
1989.

Angie Raygani             Traffic Engineer  
Contribution:            Transportation  
Education:                B.S., Civil Engineering, California State University, Sacramento, California,  
1983.

Tim Rimpo                 Air Quality Specialist  
Contribution:            Air Quality  
Education:                M.S., Economics (natural resources and environmental specialization),  
Colorado State University, Fort Collins, Colorado, 1981.  
B.A., Economics, University of Virginia, Charlottesville, Virginia, 1978.

Wayne Shijo            Air Quality Specialist  
 Contribution:        Air Quality, Transportation  
 Education:            B.S., Environmental Planning and Management, University of California,  
                               Davis, California, 1977.

Dave Buehler           Civil Engineer  
 Contribution:        Noise  
 Education:            B.S., Civil Engineering, California State University, Sacramento, California,  
                               1980.

Paul Cylinder           Botanist  
 Contribution:        Botanical Resources  
 Education:            Ph.D., Botany, University of California, Berkeley, California, 1987.  
                               B.A., Biological Sciences, University of Chicago, Chicago, Illinois, 1980.

Ed Whisler             Wildlife Biologist  
 Contribution:        Wildlife Resources  
 Education:            B.S., Biological Science (Biological Conservation), California State  
                               University, Sacramento, California, 1982.

Erik Spiess             Environmental Planner  
 Contribution:        Land Use and Public Services and Facilities  
 Education:            B.S., Environmental Planning and Management, University of California,  
                               Davis, California, 1989.

Joe Donaldson         Landscape Architect  
 Contribution:        Aesthetics  
 Education:            M.L.A., Landscape Architecture and Environmental Planning, Utah State  
                               University, Logan, Utah, 1983.  
                               A.B., Architecture, University of California, Berkeley, California, 1975.

Dana McGowan         Senior Archaeologist  
 Contribution:        Cultural Resources  
 Education:            M.A., Anthropology, California State University, Sacramento, California,  
                               1990.  
                               B.A., Anthropology (minor in geology), California State University,  
                               Sacramento, California, 1984.

Barry Scott             Archaeologist  
 Contribution:        Cultural Resources  
 Education:            M.A., Anthropology, California State University, Sacramento, California,  
                               1988  
                               B.A., Anthropology, California State University, Sacramento, California,  
                               1983.

## Production and Graphics

Susan Fotter	Lead Word Processing Operator
Cynthia Casanova	Editor
Roberta Childers	Editor
Debra Lilly	Editor
Tony Rypich	Graphic Artist
Bev Fish	Report Reproduction

## CORDOBA CORPORATION

John Oshimo	Senior Project Manager
Contribution:	Growth Inducement
Education:	M.P., Urban and Regional Planning, University of Southern California, 1976. B.A., Geography, University of California, Los Angeles, California, 1974.

Lisa Levy	Environmental Planner
Contribution:	Population, Housing, and Employment
Education:	M.A., Urban Planning, University of California, Los Angeles, California, 1993. B.A., Social Ecology, University of California, Irvine, California, 1991.

## K.P. LINDSTROM

Kris Lindstrom	Environmental Planner
Contribution:	Facilities Planning and Permitting
Education:	M.S., Ecology, University of California, Davis, California, 1983. M.P.H., Environmental Health Sciences, University of California, Berkeley, California, 1973. B.S., Biological Sciences, University of California, Irvine, California, 1970.

## HARRIS AND COMPANY

Christine Harris	Public Involvement Coordinator
Contribution:	Public Involvement
Education:	B.S., Engineering, University of California, Davis, California, 1975.
