

FORM A: APPLICANT QUESTIONNAIRE

Name Of Company _____
Company Contact Name _____
Company Contact E-mail _____ Phone Number _____

Reason for Submittal – New Permit Permit Revision Permit Amendment Permit Renewal
Please check (✓) only one box above and complete the corresponding questions below.

1. New Permit (for new companies and for changes in ownership)

Type of business _____
Is the facility: New or Existing (please check)
If existing, previous company name _____
Type of business _____
Industrial Wastewater Discharge Permit No. _____

Provide a description of all manufacturing processes and wastewater producing operations in an attachment.

Are any changes being made to the facility's existing wastewater pretreatment/conveyance systems?
 Yes No If yes, briefly explain these modifications in attachments.

Is there more than one company discharging industrial wastewater at your facility? Yes No
If yes, provide for each company its name, a separate address and a description of its operations. If feasible, each company must apply for a separate permit and must have its own incoming water meter and a separate industrial wastewater sampling point.

If your facility will involve a new connection to the public sewer, please check the point of connection:
 Local city sewer, Sanitation Districts' Trunk sewer.

If you are relocating, and had a previous Industrial Wastewater Discharge Permit, give your previous address _____, and permit number _____.
If you have received a temporary permit, give permit number _____.

All submittals for new permits **must** include a permit application, plans (if changes have occurred) and pertinent supporting information.

2. Revision of Existing Permit (for a 25 percent or more change in wastewater quantity/quality)

Permit number _____.

Has your wastewater quantity and/or quality changed over 25 percent? Yes No
If yes, documentation addressing the magnitude and reason(s) for the change must be submitted. If no, a revision is not required at this time.

Have there been any changes in production processes, wastewater pretreatment systems or sewerage plumbing? Yes No If yes, submit plans and describe these changes in attachments.

All submittals for a revised permit **must** include a permit application, plans (if changes have occurred) and supporting information.

3. Amendment to Permit (for modifications to the wastewater conveyance/pretreatment system)

Permit Number _____.

Attach a brief summary of the existing conditions and the proposed changes.

All submittals for a permit amendment **must** include plans and supporting information. Applicant must also answer the questions on the next page.

4. Permit Renewal (for permits with expiration dates)

Permit Number _____.

Have there been any changes in production processes, wastewater pretreatment systems or sewerage plumbing? Yes No If yes, submit plans and describe these changes in attachments.

All submittals for a permit renewal **must** include a permit application, plans (if changes have occurred) and supporting information.

Supporting Information Required

All submittals **must** include the following forms, which are included in Appendix 6.1:

- Form A - Applicant Questionnaire
- Form B - Calculation of Industrial Wastewater Discharge Flow Rate
- Form C - Tank Schedule and Spill Containment Calculations
- Form D - Check List

Furthermore, your company must answer the questions below to determine the additional supporting information that must be provided:

1. Waste Minimization (refer to Sections 2.4 and 3.3 E)

Please describe below or in an attachment all of your company's existing/proposed pollution prevention measures (e.g., reuse, product reformulation, process changes, housekeeping measures, etc.):

Has your company previously submitted a waste minimization plan to the Districts? Yes No
If no, please read Sections 2.4 and 3.3E and submit the appropriate plan (if applicable). Your company is encouraged to obtain information on source reduction measures and options for your industrial processes by calling the Sanitation Districts' Industrial Waste Section at (562) 908-4288, ext. 2900.

2. Wastewater Quality (refer to Sections 3.3G and H)

Please provide the results of at least two 24-hour composite analyses attesting to concentrations of chemical oxygen demand, suspended solids and any priority or regulated pollutants that may be found in your wastewater. Your company must also provide material safety data sheets of all chemicals used in the facility that may directly or indirectly contaminate your wastewater.

3. New Equipment (refer to Sections 3.3 F, J and K)

Is your company installing new pretreatment, monitoring, conveyance or industrial equipment that may have an impact on the quality or quantity of your wastewater? Yes No
If yes, please provide catalog cuts of all units and important details such as: number of units, sizes, hours of operation, pump rating curves, operating parameters, etc.

4. Baseline Monitoring Report (refer to Sections 2.1 and 3.3 I)

Does your company currently fall under one of EPA's categories? Yes No
If yes, your company must submit a Baseline Monitoring Report, unless it was submitted one in the past and there have been no changes in operations that may change your categorical standards.

5. Rainwater Management (refer to Section 3.2)

Are there any outdoor drains, trenches or sumps at your facility that are connected to the sewerage system? Yes No
If yes, your company must submit plans and information that describe the existing means to divert rainwater from the sewerage system or a proposal to comply with the Districts' rainwater guidelines. Please be informed that new automatic rainwater diversion systems will not be approved unless the applicant proves that this is the only feasible alternative.
