

## Change in Operating Hours/Days for all Solid Waste Management Facilities

On April 6, 2020, we reduced the hours and days of operations of our solid waste management facilities to ensure that there is an adequate number of healthy staff to operate the facilities. This reduction will minimize the potential for a complete closure of the facility due to COVID-19.

Below are our new (temporary) operating hours. For any further questions or updates, please call 562-908-4288 ext. 6071, visit [www.lacsd.org/facilities](http://www.lacsd.org/facilities), or follow us on [social media](#).

SITE	NEW OPERATING HOURS
<a href="#">Calabasas Landfill (CALF)</a>	MON-FRI: 8AM – 5PM SAT & SUN: Closed
