RE: SERVICE CHARGE PROGRAM HOLD PUBLIC HEARING ON SERVICE CHARGE REPORT AND COLLECTION ON TAX ROLL Prior to meeting in regular session, matters pertaining to the wastewater rates were discussed as recorded in the Status Report presented to the Boards on this date.

In regular session, the Board was advised that holding a public hearing and then adopting the Service Charge Report is required each year in order to collect the wastewater service charge on the property tax roll. No rate increases are recommended for fiscal year 2021-22. A letter discussing this matter, together with a copy of the Service Charge Report, preliminary budget, and a budget explanation and glossary, accompanied the agenda. This item is consistent with the Districts' Guiding Principles of commitment to fiscal responsibility and prudent financial stewardship; and to plan for both short-term and long-term needs to minimize the need for significant rate increases.

The service charge rate for fiscal year 2021-22 is \$144 per sewage unit.

In accordance with Section 5473.1 of the Health and Safety Code of the State of California, the *County Sanitation District No. 28 Service Charge Report for Fiscal Year 2021-22* was filed on February 24, 2021, and publication of two newspaper notices for today's public hearing were published in the *Los Angeles Times*, a daily newspaper.
