The Districts is subject to the provisions of the California Public Records Act, Government Code section 6250, et seq. (the "PRA"). In the event that the Districts is compelled, by deposition, interrogatory, subpoena, request under the PRA, civil investigative demand, or other governmental or regulatory requirement, to disclose information that Calpine considers to be Confidential Information, the Districts shall furnish Calpine prompt written notice of any such request or proceeding so that Calpine may attempt to establish that the Information is exempt from public disclosure under applicable law, seek an appropriate protective order or other remedy or waive its claims of confidentiality. If Calpine does not promptly move to establish an exemption from disclosure, obtain a protective order or other remedy, the Districts may disclose only that portion of the Confidential Information that the District determines is legally subject to disclosure. In the event of any demand made or claim or proceeding filed by a third party to seek disclosure or release from the Districts of Confidential Information, the Districts shall (a) notify Calpine of such demand, claim, or proceeding and (b) allow the Calpine, at Calpine's sole cost and expense, to control the defense or resolution of that claim or proceeding. If Calpine elects to defend such a proceeding in accordance with this paragraph, the Districts will refrain, to the extent permitted by law, from disclosing any Confidential Information that is the subject of that proceeding until the entry of a final, non-appealable judgment requiring that disclosure or other final resolution of that proceeding. Calpine shall pay any attorney's fees, costs, or sanctions awarded to the third party, and shall hold the Districts, its directors, officers, agents, and all of them, harmless from same. The Districts provides no representations or warranties regarding Calpine's ability to prevent the disclosure of the Confidential Information under the PRA or as otherwise required by law.
