3. Approve December 2021 Expenses in Amount of \$1,795,847.56

Summary: Local District expenses represent costs incurred for operations, maintenance, and capital projects that are the sole responsibility of the individual District. Allocated expenses represent the District’s proportionate share of expenses made by District No. 2, the administrative District, on its behalf pursuant to either the Joint Administration Agreement or the Joint Outfall Agreement. These Agreements provide for the joint administration, technical support and management of the operations, maintenance, and capital costs associated with all of the shared facilities for all of the signatory Districts, along with the methodology for determining the proportionate costs for each District. A listing of Districts’ payments and previously approved budgets can be found on the Districts’ websites at [lacsd.org/financial-documents](http://lacsd.org/financial-documents). This item is consistent with the Districts’ Guiding Principle of commitment to fiscal responsibility and prudent financial stewardship.

4. Approve *Resolution of the Board of Directors of County Sanitation District No. 8 of Los Angeles County Proclaiming a Local Emergency, Ratifying the Proclamation of a State of Emergency on March 4, 2020 by California Governor and Authorizing Remote Teleconference Meetings of the Legislative Body*

Summary: Remote teleconferenced meetings, during the continued existence of the Governor’s proclaimed state of COVID-19 emergency, will be conducted under the provisions of AB 361 which added California Government Code Section 54953(e), to the Brown Act. Under the provisions of AB 361 and Government Code Section 54953(e), each District must adopt, by majority vote, a resolution making certain findings about the continuing COVID state of emergency and health and safety risks of conducting their meeting in person. By statute, this Resolution and its referenced findings, are only legally valid for 30 days. The Resolution is attached to the agenda.

5. Confirm Approval by Chief Engineer and General Manager of [First Amendment to License Agreement](#) (Amendment) with Friends of Wilmington Sports Complex, LLC, (FWSC) for Interim Operation of Wilmington Athletic Complex (WAC)

Summary: The WAC is located adjacent to the Joint Water Pollution Control Plant (JWPCP) on approximately 18-acres of Districts’ property in the Wilmington neighborhood of the City of Los

Angeles. In the 1960s, the Districts purchased the vacant land to act as buffer for JWPCP and support a potential plant expansion. In July 2021, the Board authorized the Chief Engineer and General Manager to enter into a license agreement with FWSC (License Agreement) to operate the WAC on an interim basis while the Districts negotiates a long-term lease agreement with the City of Los Angeles Department of Recreation and Parks (RAP). The License Agreement was set to expire on March 2, 2022; however, staff is still working with RAP on the long-term lease agreement. Additionally, due to the COVID-19 pandemic, revenue from users of the WAC has been lower than anticipated and the costs to manage the WAC have been greater than expected. On February 17, 2022, the Chief Engineer executed the Amendment, which extends the term of the License Agreement through June 30, 2022, in order to allow additional time to finalize the long-term lease agreement with RAP during which the Districts will provide \$7,500 per month, from March through June 2022, to support FWSC and its designated operator, the Boys and Girls Clubs of the Los Angeles Harbor, for continued operation of the WAC during the extension period. Staff has determined that approval of the Amendment does not constitute a "Project" under the California Environmental Quality Act (CEQA) pursuant to California Public Resources Code Section 21065 and Title 14 of the California Code of Regulations ("CEQA Guidelines") Section 15378. As fee title holder of the WAC, District No. 8 must approve the action and District No. 2, as the administrative District, must approve the action by District No. 8. This item is consistent with the Districts' Guiding Principle to protect financial and facility assets through prudent investment and maintenance programs.

REMOTE TELECONFERENCE MEETINGS OF THE LEGISLATIVE BODY

WHEREAS, the County Sanitation District No. 8 of Los Angeles County (“District”) is committed to preserving and nurturing public access and participation in meetings of the District’s Board of Directors and committees; and

WHEREAS, all meetings of the District’s Board of Directors are open and public, pursuant to the requirements of the Ralph M. Brown Act (California Government Code Sections 54950-54963) (the “Brown Act”), so that any member of the public may attend, participate, observe and watch the District’s Board of Directors conduct business; and

WHEREAS, the Brown Act, Section 54953(e), allows for conducting and participating in meetings by members of a legislative body, without compliance with the requirements of the Brown Act Section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition under the Brown Act Section 54953(e) is the declaration of a state of emergency by the Governor pursuant to California Government Code Section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within California caused by the conditions outlined and described in California Government Code Section 8558; and

WHEREAS, such conditions now exist in the District as Governor Newsom declared a State of Emergency on March 4, 2020 as a result of the threat of COVID-19; and

WHEREAS, the Centers for Disease Prevention and Control, in its publication “How to Protect Yourself & Others” updated August 13, 2021, have recommended social distancing practices, including staying 6 feet away from others and avoiding crowds and poorly ventilated spaces in order to protect individuals and others from COVID-19; and
