RE: APPROPRIATIONS LIMIT  
FOR FISCAL YEAR 2022-23  
ESTABLISH AND ADOPT

A letter discussing 2022-23 fiscal year budgetary matters accompanied the agenda. Since November 1979, the State Constitution has placed a limit on the authorization to expend the proceeds of taxes levied by state and local

governments in California. In January 1981, the Government Code was amended to require the governing body of each local jurisdiction to establish, by resolution, an appropriations limit for each fiscal year. The documentation used in the determination of the appropriations limits must be available 15 days prior to this action being taken. The method by which the Districts' appropriations limits were calculated has been available to the public at the Districts' Joint Administration Office since May 23, 2022, and was provided to the Directors with the letter of June 3, 2022, mailed with the agenda. This item is consistent with the Districts' Guiding Principles of commitment to fiscal responsibility and prudent financial stewardship; and to plan for both short-term and long-term needs to minimize the need for significant rate increases.

The appropriations limit for fiscal year 2022-23 has been determined by adjusting the previous fiscal year's limits using the factors specified in the Government Code. The appropriations limit has also been adjusted to include mandated costs, all in accordance with the procedures outlined in Article XIII B of the Constitution

and Section 7910 of the Government Code. A recommendation was made that, in order to comply with legal requirements, this Board adopt an appropriations limit of \$6,956,098 for fiscal year 2022-23.

Upon motion of Director Croft, duly seconded and unanimously carried by a roll-call vote, the following resolution was adopted:

BE IT RESOLVED, that pursuant to Section 7910 of the Government Code of the State of California, the Board of Directors of County Sanitation District No. 19 of Los Angeles County does hereby establish and adopt an appropriations limit of \$6,956,098 for fiscal year 2022-23, utilizing the population change and the change in the personal per capita income.

RE: BUDGET 2022-23  
OPERATING FUND

In a letter dated June 3, 2022, to the Board, matters were discussed pertaining to the budget for the 2022-23 fiscal year. A sewerage system final budget for the 2022-23

Upon motion of Director Croft, duly seconded and unanimously carried by a roll-call vote, the sewerage system final budget for 2022-23 was approved, adopted, and order filed.

OPERATING FUND

Data for the tax levy necessary for the Operating Fund was presented and a recommendation was made that the tax levy be requested in accordance therewith.

Upon motion of Director Croft, duly seconded and unanimously carried by a roll-call vote, the following Resolution was adopted:

BE IT HEREBY DETERMINED, RESOLVED, AND ORDERED AS FOLLOWS:

The Secretary is hereby instructed to furnish a copy of this resolution and statement to the Board of Supervisors of Los Angeles County at least fifteen (15) days before the first day of September 2022.
