RE: APPROPRIATIONS LIMIT
FOR FISCAL YEAR 2022-23
ESTABLISH AND ADOPT

A letter discussing 2022-23 fiscal year budgetary matters accompanied the agenda. The Government Code requires the governing body of each local jurisdiction to establish, by resolution, an appropriations limit for each

fiscal year. The documentation used in the determination of the appropriations limits must be available 15 days prior to this action being taken. The method by which the Districts' appropriations limits were calculated has been available to the public at the Districts' Joint Administration Office since May 23, 2022, and was provided to the Directors with the letter of June 3, 2022, mailed with the agenda. This item is consistent with the Districts' Guiding Principles of commitment to fiscal responsibility and prudent financial stewardship; and to plan for both short-term and long-term needs to minimize the need for significant rate increases.

The Chief Engineer and General Manager advised that Matt Eaton, Department Head of Financial Management, was present to answer any questions. He stated that the budget is consistent with the preliminary budget and there are no significant changes related to capital. The District's finances are in good shape. There will be no rate increase for the coming fiscal year.

The appropriations limit for fiscal year 2022-23 has been determined by adjusting the previous fiscal year's limits using the factors specified in the Government Code. The appropriations limit has also been adjusted to include mandated costs, all in accordance with the procedures outlined in Article XIIB of the Constitution and Section 7910 of the Government Code. A recommendation was made that, in order to comply with legal requirements, this Board adopt an appropriations limit of \$74,432,843 for fiscal year 2022-23.

Upon motion of Director Barger, duly seconded and unanimously carried by a roll-call vote, the following resolution was adopted:

BE IT RESOLVED, that pursuant to Section 7910 of the Government Code of the State of California, the Board of Directors of County Sanitation District No. 14 of Los Angeles County does hereby establish and adopt an appropriations limit of \$74,432,843 for fiscal year 2022-23, utilizing the population change and the change in the personal per capita income.
