RE: WASTEWATER MANAGEMENT
INDUSTRIAL WASTEWATER DISPOSAL
AGREEMENT - VALERO REFINING CO.
CALIFORNIA - CONTRACT NO. 5478
APPROVE

Valero Refining Co. – California, (Valero) currently produces approximately 32,000 gallons per day of wastewater from crude oil refining operations at its asphalt plant in Wilmington (City of Los Angeles). The City of Los Angeles does not have adequate sewerage facilities in the immediate vicinity to service this facility.

The facility has historically been connected to the Districts’ sewer system and regulated by an industrial wastewater disposal agreement that has since expired. The City of Los Angeles has confirmed they do not have any objections to having the wastewater disposal needs of Valero continued to be serviced by the Districts. The proposed agreement provides for the full recovery of equivalent connection fees as specified in the Connection Fee Ordinance and surcharge fees as specified in the Joint Outfall Agreement, and it also requires the company to comply with the Wastewater Ordinance. This item is consistent with the Districts’ Guiding Principle to provide reliable and responsible services with safety first. A recommendation was made to approve and order executed an *Industrial Wastewater Disposal Agreement*.

Upon motion of Director Garcia, duly seconded and unanimously carried by a roll-call vote, the Board of Directors of County Sanitation District No. 8 of Los Angeles County found and determined that it would be to the advantage of the District to enter into an *Industrial Wastewater Disposal Agreement* with Valero Refining Co. – California, providing for disposal of industrial wastewater discharge, as set forth in the Agreement and under terms and conditions contained therein. All the terms and conditions of the *Industrial Wastewater Disposal Agreement*, Contract No. 5478, dated November 9, 2022, were accepted and approved, and the Chairperson and Secretary were authorized to execute the Agreement on behalf of the District.

RE: FACILITIES PLANNING
INTRODUCE AN ORDINANCE
PRESCRIBING FEES FOR THE
ANNEXATION OF TERRITORY

A proposed *An Ordinance Prescribing Fees for the Annexation of Territory to County Sanitation District No. 8 of Los Angeles County* (Ordinance) was presented to the Board for consideration and introduction.

Properties outside the jurisdictional boundary of the District must be annexed to the District before sewerage service can be provided. The cost of processing the annexation application is borne by the applicant pursuant to the District's existing Master Annexation Fee Ordinance and Annexation Fee Rate Ordinance (Existing Ordinances), which were both adopted in 2007. The current method of calculating the fee is a tiered acreage-based approach. However, this method results in inequities in certain circumstances. Furthermore, the cost to process an annexation application does not vary significantly between a large or small property. The proposed ordinance, which was attached to the agenda, supersedes the Existing Ordinances and establishes a flat fee of \$2,000 per annexation application, which is more equitable and representative of the actual cost to process each annexation. In October 2022, the Personnel Committee, comprised of the Chairs of all active Districts, unanimously endorsed the proposed ordinance. This item is consistent with the Districts' Guiding Principles of commitment to continual improvement; and commitment to fiscal responsibility and prudent financial stewardship. A copy of the Ordinance accompanied the agenda. A recommendation was made to waive the reading of the Ordinance in its entirety.

Upon motion of Director Mitchell, duly seconded and unanimously carried by a roll-call vote, *An Ordinance Prescribing Fees for the Annexation of Territory to County Sanitation District No. 8 of Los Angeles County* (Ordinance) was introduced, and after reading of the title thereof, further reading of the Ordinance was waived.

Upon motion of Director Sharif, duly seconded and unanimously carried, the meeting was adjourned in recognition of Director Garcia's nomination into Congress.
