RE: FACILITIES PLANNING
ANNEXATION FEE RATE
ORDINANCE - ADOPT
FIND EXEMPT FROM CEQA

An Ordinance Prescribing Fees for the Annexation of Territory to Santa Clarita Valley Sanitation District of Los Angeles County (Ordinance) was presented for the Board’s consideration. Properties outside the jurisdictional boundary of the District must be annexed to the

District before sewerage service can be provided. The cost of processing the annexation application is borne by the applicant pursuant to the District’s existing Master Annexation Fee Ordinance and Annexation Fee Rate Ordinance (Existing Ordinances), both adopted in 2007, according to a tiered acreage-based approach. However, this method results in inequities in certain circumstances. Furthermore, the cost to process an annexation application does not vary significantly between a large or small property. The proposed ordinance, which was attached to the agenda, supersedes the Existing Ordinances and establishes a flat fee of \$2,000 per annexation application, which is more equitable and representative of the actual cost to process each annexation. In October 2022, the Personnel Committee, comprised of the Chairpersons of all active Districts, unanimously endorsed the proposed ordinance; and in December 2022, the proposed ordinance was introduced to the Board. This item is consistent with the Districts’ Guiding Principles of commitment to continual improvement; and commitment to fiscal responsibility and prudent financial stewardship.

Notice of the public hearing on the proposed Ordinance was published twice in *The Signal Newspaper*, a daily newspaper. A recommendation was made to the Board that a public hearing be conducted and, thereafter, the proposed Ordinance be adopted. A copy of the Ordinance accompanied the agenda.

This being the time and place set by District staff for a public hearing on the proposed Ordinance, the Chairperson opened the public hearing.

The Chief Engineer and General Manager advised that this item is regarding introduction of a proposed ordinance to change the Districts' annexation fee. The current annexation fee is based on the acreage of the parcel. The proposed ordinance establishes a flat fee of \$2,000 per annexation, which reflects more accurate processing costs. The proposed annexation fee ordinance was presented to the Personnel Committee, comprised of the Chairpersons of all active Districts, at their last meeting, and they concurred to move the matter forward to all Districts for consideration.

In response to the Chairperson's question, the Secretary reported that no telephone calls, correspondence, or other public input was received by the District. The Chairperson announced that this was the time for any presentations by members of the public. There being none, upon motion of Director Gibbs, the Chairperson closed the public hearing.

Upon motion of Director Barger, duly seconded and unanimously carried by a roll-call vote, *An Ordinance Prescribing Fees for the Annexation of Territory to Santa Clarita Valley Sanitation District of Los Angeles County* (Ordinance), to become effective February 16, 2023, was adopted by the following vote:

AYES: Directors Gibbs, Barger, and Weste

NOES: None

ABSENT: None

ABSTAIN: None

An Ordinance Prescribing Fees for the Annexation of Territory to Santa Clarita Valley Sanitation District of Los Angeles County was adopted. Furthermore, the Board found that adoption of the Ordinance is exempt from the California Environmental Quality Act (CEQA) under Section 15273 of State Guidelines for Implementation of CEQA on the basis that CEQA does not apply to the modification of rates or other charges by the District which are for the purpose of meeting operating expenses necessary for the District to provide services such as annexation, as reported to the Board of Directors by the Chief Engineer and General Manager and as reflected in the official minutes of the District on file at the office of the District.

RE: STATUS REPORT/DIRECTOR COMMENTS The Chief Engineer and General Manager stated that
ITEMS NOT LISTED ON AGENDA Governor Newsom's emergency order allowing for
remote meetings is scheduled to end at the end of
February 2023. Staff will work with city staff to return to in-person meetings at Santa Clarita City Hall starting
